Administrative Manager

Dana brings more than 30 years of experience in the lobbying and public affairs industry, with deep experience in compliance, reporting, and regulatory strategy. She has spent the past two decades managing all aspects of Pennsylvania lobbying disclosure requirements and campaign finance compliance, including tracking, reporting, and audit preparation.

Dana has overseen the operations of a lobbying firm and is highly experienced in PAC development, registration, management, and reporting. Her work includes preparing and filing lobbying registrations and reports, managing campaign finance filings with state and local regulators, conducting bank reconciliations, and supporting clients through audits.

Known for her precision and thorough understanding of complex regulatory frameworks, Dana provides clients with confidence and peace of mind by ensuring full compliance with New Jersey and Pennsylvania lobbying and campaign finance laws.
